

\$929,000 - 1615 27 Avenue Sw, Calgary

MLS® #A2229542

\$929,000

3 Bedroom, 4.00 Bathroom, 1,882 sqft
Residential on 0.07 Acres

South Calgary, Calgary, Alberta

Nestled in one of Calgary's most sought-after inner-city neighborhoods, this beautifully maintained detached two-storey home offers the perfect blend of comfort, convenience, and style. Just steps from vibrant 17th Avenue, the boutique shops of Marda Loop, top-tier restaurants, walking distance to the South Calgary Pool, and a selection of schools (Richmond, Mount Royal, Western Canada High, and William Reid), the location truly can't be beat.

Inside, the home offers 3 bedrooms upstairs, including a spacious primary retreat with an oversized closet and 5-piece ensuite, featuring a soaker tub, stand alone shower and double vanity. The front bedroom impresses with its generous size, oversized windows, and a full walk-in closet, while the third bedroom is ideal for kids, guests, or a home office. A stylish 4-piece bathroom completes the upper level.

The main floor exudes warm, comfortable luxury with a bright living area featuring a gas fireplace, ambient lighting, and an included Frame TV. The elegant dining space is adorned with custom millwork and easily accommodates large gatherings. The updated kitchen is a showstopper, featuring refinished maple cabinetry, quartz countertops, stainless steel appliances, and a charming built-in breakfast nook. Sliding doors lead to a sun-drenched south-facing patio, perfect for enjoying Calgary's warmer days.

Downstairs, the fully finished walk-out basement offers excellent versatility with a large rec space, wet bar, and access to a private lower patioâ€”awaiting your creative design ideas or a hot tub! A spacious laundry room, updated 3-piece bathroom, and large flex room (ideal for a gym or home office â€”note: not a legal bedroom) complete this level.

Additional features include: double detached garage, low-maintenance landscaping with artificial turf in the back, many newer windows, shingles (2015), updated hot water tank, and a well-maintained mechanical system.

If you're seeking the ease of inner-city living in a detached home with stylish finishes and thoughtful upgrades throughout, this one is an absolute must-see.

Built in 2004
